FUN WITH MUMBAI WALE

The motto of the event is to know more people from other districts and share friendship across districts. We conducted interactive games and funny quizzes to break the barrier and gel with each other.

GREEN DIWALI

Green Diwali is a festival in which we avoid carelessness and behave like responsible citizens to prepare our environment. Burning crackers on Deepavali pollutes the environment to hazardous levels and therefore increases the chances of global warming.

Green Diwali

FESTIVAL OF LIGHTS

A green Diwali is a festival in which we avoid carelessness and behave like responsible citizens to protect our environment. Burning crackers on Deepavali pollutes the environment to hazardous levels and therefore increases the chances of global warming. The main idea behind celebrating an eco-friendly Diwali is to maintain the sustainability of

AIR POLLUTION

- Air Pollution rise extremely high during the Diwali festival.
- The smoke emitted by burning fire crackers makes the air harmful to breathe.
- It is known to cause various diseases. Lungs are worst affected by it.

Green Diwali

NOISE POLLUTION

- Noise pollution is at its peak on Diwali.
- This is especially a problem for the old people, students, animals and sick people.
- The noises are highly disturbing. Animals are worst affected by it.

HOW TO BE IN TOP 1%

The "Achieving the 1%: A Guide to Personal Excellence" project is a comprehensive endeavor focused on empowering individuals to reach the pinnacle of their chosen fields. This project aims to provide a clear roadmap for personal development and success, outlining the strategies, mindset, and actions required to become part of the top 1% in any endeavor.

SWASTHYA SANGAM

"Swasthya Sangam," our health-focused project, joined forces with the International Rotaract Club of Esucom Parklane to host an enlightening online session on disease prevention. Dr. Srinidhi, a distinguished expert in health and wellness, graciously shared insights during the session. Through this collaboration, participants gained invaluable knowledge on maintaining health during the upcoming summer season by partnering with the Rotaract Club of Esucom Parklane.
